With this form, please also turn in:

1. A research plan for the honors thesis. (Note: Three to five pages is sufficient, and the research plan should be read and approved by the thesis advisor before the advisor signs this form. The plan should include the primary research question to be addressed, the expected methods of analysis, and a plan for completion that indicates the work to be done in each semester).
2. Calendar of agreed upon deadlines and tasks throughout the year, subject to revision based on thesis advisor's approval. Note that failure to meet deadlines and complete tasks adequately may result in a loss of eligibility for honors.
